Pedestal - Note

Note Pedestal

The clean line of the Bisley Note pedestal is a significant pointer to the compelling, practical design of this Bisley pedestal range. The 'one-piece wrap' and welded carcass is embedded with our newest assembly technology and the neutral, rectilinear aesthetic takes its cues from the latest furniture styles. The Note pedestal compliments a wide range of personal and shared desking solutions.

Two carcass widths. 420mm wide options provides for forward-facing A4 suspension filing or footscap side facing or 'narrow footprint' 300mm wide provides for side facing A4 suspension filing. 5th castors or counterbalances are included automatically with mobile pedestals where needed.

1. optional 6mm decorative steel top 2. 100% extension file drawers 3. optional drop-in pen tray 4. 5th castor for stability on all filing drawers
